October 2025

Dear Friends,

In the 1970's and '80's Ron & Sandy Lewis translated the NT in Maposi Village. PIM sent Buria & Mukachuwa and then started a school. March 2025 these five pastors did the one-day river trip to attend the PIM pastor's conference down in Ambunti on the Sepik River.

Paul Timothy (wife Morin) says, "We have many troubles, but God blesses us. We can feel a big pain, but then we see God again. He helps us and strengthens us to continue. Some hear and really get it, but I must not fall down because of sickness or pain. May my children remain inside the power and help of God and extend the ministry." (picture to the right)

Robert Aiwano (wife Mariana)—"God is here. In deaths in the community and in hardships God doesn't leave us; he helps us and looks after us. We see him; he is close to us. **Pray** that we can carry the ministry further to other areas so that they become disciples. We ford streams; we hike up and down mountains. May God sustain us carrying the gospel to places that have not heard the word yet. Many ways of the world still remain. **2 Tim 1:10**—Praise be to our Savior, Christ Jesus, who has destroyed death and has brought life and immortality to light through the gospel.... (red shirt to the left)

Joseph Sinei (wife Ruby)—God has looked after my family and me so many years; I am 57 years old. Hebrews 12:2—My second child died, but God is looking after us. Ruby too, is still believing. (green shirt to the right)

Paul Mark (Single): "Thank you for the missions and all that Papa God is doing enlivening the church, the youth, women, Sun School, us pastors and church unity. May blockages be cleared out. Some are attacking us. Some are coming to Christ, surrendering. The prayer support you are giving, it is helping. Fear must decrease." (left)

Jonah Yatowe (wife Nancy)—"Thank you: I see God's power and how he works with us. I humble myself and work gently. Pray for us. The devil must run away. We have to turn the corner and do something good. **James 1:12.**"

Praise God for you friends persevering under trial. We appreciate you!!
